

SPECIAL RECOGNITION

It is indeed, a great pleasure to note that Prof. P.M Patil, Chairman, Dept of Mathematics has been elected as a fellow of National Academy of Science India (NASI) for his outstanding contribution to the field of Mathematical Modeling aspects of fluid flow problems. These models utilize the Quasilinearisation technique and the results are useful for design engineers to control various parameters of heat and mass transfer. It is a great pride and honor to the department of Mathematics as well as Karnataka University Dharwad.

We all the members of Karnataka University Dharwad extend hearty congratulations to Prof P.M Patil for being conferred the FNASC on him.

Asst. Prof. 23/11
VICE CHANCELLOR
