M.COM ADMISSION NOTIFICATION 2020-21

INSTRUCTIONS TO THE CANDIDATES
APPLIED FOR M.COM COURSE

The department has finalized the first provisional selection list on the basis of preferences given by individual candidates and selection rules of the University. Hence, request of the candidates for the change in campus/college/centre allotted will not be entertained by the department. The selected candidates should seek admissions in the centre/colleges allotted to retain their selection. Failure to take admission will be regarded as a vacancy for subsequent provisional selection list.

However, after the completion of third list of selection, request for change of centre/college will be considered if vacant seats are available with the permission of the authorities of the University.
